

Motivation

1.) Why would you like to do an internship abroad?

2.) In which professional sector would you like to do your internship?

3.) Please describe your current vocational training in brief:

a. What are your main tasks?

b. Which qualifications do you already possess (professional skills as well as soft skills)?

4.) Which aims would you like to achieve through the internship abroad?

5.) What tasks would you like to carry out during the internship?
